As the harvest wraps up, the kids go back to school, and the sun starts going down a little earlier we're looking forward to a little more time to snuggle up and read. Plus reading is always a little more fun when you're wearing a cozy sweater. What's on your autumn reading list? Here are some of our recommendations:

CALL FOR ARTISTS

We're planning a display featuring the work of local artists for the month of December 2023. Please send an email to laurie@wmrl.ca with a short description of you, your art, and the pieces you'd like to display if you would like to participate.

THANK YOU

To Hannah Johnson, our bright and enthusiastic summer student whose term has come to an end. Thank you for all the time and effort you put into your time here. We'll miss you.

Thank you to all our volunteers who make it possible for us to do so much more than we could otherwise. And thanks to all of you for stopping by, borrowing books, sharing stories, smiles, and ideas. We love being part of this community.

ARE YOU EXCITED ABOUT THE LIBRARY?

Friends of the Carberry Library is a group of potential volunteers. If you'd be willing to help out sometimes with book sales, cookies for teas, setting up events, reading stories, programs or anything else we might have going on, send an email to friendsofcarberrylibrary@gmail.com. We'll add your name to our list and keep you posted about volunteer opportunities.
