ORAL HISTORIES PROJECT

The Library and the Carberry Plains Archives are pleased to announce that we will be launching a joint Oral Histories Project. We'll be collecting recordings of interviews with local people and preserving these recordings in our archives with the intention of preserving the unique perspectives and knowledge of our community members. This is a huge project and we'd love your help! If you are interested in assisting please contact Laurie MacNevin, laurie@wmrl.ca or Terilei Dahmer, cparchives@townofcarberry.ca.

WANT TO HELP?

Friends of the Carberry Library is a group of potential volunteers. If you'd be willing to help out sometimes with book sales, cookies for teas, setting up events, reading stories, programs or anything else we might have going on, send an email to: friendsofcarberrylibrary@gmail.com. We'll add your name to our list and keep you posted about volunteer opportunities.

BOARD MEMBER NEEDED

The Town of Carberry is looking for a citizen representative to sit on the Board of the Western Manitoba Regional Library. This board is responsible for the finances and policies of our library and it is essential that our citizens' perspectives are represented. If you are interested in this position please contact the Town of Carberry or speak to us at the branch.
